

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 2/19/2008
Meeting: Jefferson Economic Council Transportation Committee
Presenters: Liz Telford, Don Ulrich
Number of Attendees: 25
Purpose: To give the JEC a project update and an overview of potential PA Refinements

Meeting Summary/Key Issues

Liz Telford and Don Ulrich provided a project update to the Jefferson Economic Council Transportation Committee. Their presentation served as a comprehensive update of recent project developments, with a focus on potential refinements to the Gold Line Preferred Alternative. The team showed the possible options for refinements between Denver Union Station and Pecos and compared the various alignments based on the preliminary screening results.

Possible changes to the EIS schedule as a result of the refinements and upcoming opportunities for public involvement were overviewed. Liz Telford and Don Ulrich conducted a question and answer session following the presentation.
