

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 6/2/2008
Meeting: SUNI Planning and Community Development Board
Presenters: Andy Mountain, Genevieve Hutchison
Number of Attendees: 12
Purpose: Provide overview plans for the 38th Avenue station and of how bus operations will be affected by the Gold Line

Meeting Summary/Key Issues

Andy Mountain and Genevieve Hutchison provided an overview of the project and the Environmental Impact Statement (EIS) process. Their presentation included specific discussion of bus operations through Sunnyside and how they will be affected with the opening of the Gold Line.

The various options for the 38th Avenue station were also briefly discussed. The Gold Line Team talked about the three different station options being evaluated and the benefits and disadvantages of each.

The upcoming release of the Draft EIS was mentioned, as were upcoming opportunities for public involvement.
