

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 6/24/2008
Meeting: Arvada Clear Creek Optimists
Presenters: Andy Mountain, Megan Lane
Number of Attendees: 13
Purpose: Provide general project overview

Meeting Summary/Key Issues

Andy Mountain and Megan Lane gave a presentation that provided a high-level project overview and a summary of the Environmental Impact Statement (EIS) process. Their presentation included discussion of the Gold Line alignment, the East Direct refinement option, property impacts, noise impacts and stations. The group had a particular interest in the Olde Town Arvada and Arvada Ridge stations, and Megan discussed the proposed layouts for both stations' footprints.

Opportunities for public involvement were identified and the project schedule was discussed.
