Purpose: Provide general project information and update

Meeting Summary/Key Issues

Megan Lane and Miles Graham staffed a Gold Line informational booth at the annual Wheat Ridge Townhall Meeting. The goal was to provide general project information and engage interested attendees in the Gold Line public involvement process.

Throughout the event Megan and Miles answered many questions from the public, including inquiries related to increasing construction costs, potential project impacts and the FasTracks system as a whole. Conversations focused mainly on the Gold Line construction schedule and the Ward Road station.
