

# Level 1 - Alternative 4 Series Diesel Multiple Unit (DMU) Alignment Options

Alternative	Screening Results
4 DMU – BN/UP	<b>PASS</b>
4A DMU – BN/UP South	<b>FAIL</b> – Estimated to exceed FasTracks budget, property acquisitions, environmental impacts, and costly grade separations.
4B DMU – BN/UP North	<b>FAIL</b> – Same as above.
4C DMU – New Alignment	<b>FAIL</b> – Requires dedicated ROW that increases property acquisitions and costs.
