<p>Hello, My mother lives at xxxx Sandra Way right off of Ridge Road where the Gold Line is going through. She is 84 years old and contemplating moving to Assisted Living. My sisters and I do not know for certain if her house will be taken due to the realignment of Ridge Rd, or if it is even affected. It is hard to read the maps on-line. She has not been able to attend the meetings unless someone drives her there, which would be me and I live out East. Would you please let me know via Email, if that house is affected? Also, if so, who should we contact if she really decides to move to see if they are interested in acquiring the home now. Thank you. Carol xxxxx xxx-sxx-xxxx</p>	email	Jan 07 2009
<p>Hello, my name is Joan. I'm calling from xxxx xxxx xxxxx. We have several of the Gold Line Times brochures in our office, and we keep them around for new businesses and existing businesses for their information. The ones that we have in our office right now are from 2007 from the summer, and we were wondering if there was an updated brochure for the Gold Line Times that we could have in our office. If someone could give me a call regarding this, I would appreciate it. My number is xxx-xxx-xxxx. I'm with xxxx xxx xxx. I'm looking for the Gold Line times, an updated brochure and I will be in the office this afternoon Thursday and Friday. Thank you so much and I look forward to hearing from someone.</p>	phone	Jan 28 2009
