<p>Hi, I am on your email list for the Gold Line and I have gotten a couple of copies of the same email today from Rob XXXXX at email address XXXXXX.com. It directs me to the website, which is where I found this contact number. The email seems to be about a meeting taking place in March. I have received 2 copies of this. I've tried to reply to the email and the email reply came back as undeliverable. So if you could let whoever know that they are sending out emails to everybody -- one said test on it. So I think they are trying something but it is going out to the public, so they need to know that. And it's signed by Liz Telford the FasTracks Gold Line Project Manager, so she might want to know. Thank you.</p>	phone	May 07 2008
<p>My Name is Mike XXXXX living at XXXXXX Clarabelle Drive in Arvada. I noticed survey stakes along the ditch running parallel with Ridge Road between Carr Street and Garrison. Does this indicate work is starting along the Goldline Corridor? I would also like to know where the single track will change to double track at this location. I've heard two versions. One is at Dover Street and the other is Dudley street. The reason this is important is my two car garage is accessible from Ridge Road and I am concerned about the continuing use of Ridge road. I have been assured that Ridge Road will remain intact between Carr and Garrison. I have been included on the focus team in the past and would like to remain involved. As always, thank you for your up front attitude and keep me posted.</p> <p>Mike XXXXX</p>	email	May 10 2008
<p>I'm unclear, can you tell me which option is the East Direct Design Option. I have three drawings that I downloaded, the 41st East Option, Preferred Alternative "Avoidance Option, and the 39th East Option. Can you also tell me what the boundaries are of the properties that you will required? I know you don't know all of them, but some are obvious. Also, exactly where will the parking lots be located?</p>	email	May 11 2008

<p>Hi,</p> <p>Please help me understand exactly where the tracks will be at 38th and Inca. Will they be on the west side of the rail yard or will they go down the rail yard corridor?</p> <p>Will businesses along Inca from 38th north need to relocate? Will there be a station at 38th and Inca?</p> <p>Thanks for keeping us informed.</p> <p>Jerry</p>	<p>email</p>	<p>May 12 2008</p>
<p>Mailing list Please remove Dave XXXX from your mailing list. He is no longer a XXXXXX County Commissioner.</p> <p>Lynda XXXXX County Commissioner's Office XXX-XXX-XXXX XXXXX.XXX</p>	<p>email</p>	<p>May 12 2008</p>
<p>Mail received for one of your board members Good afternoon</p> <p>I have received in today's mail a "flyer" for Juanita XXXXX, and by your info, she is on RTD Board, District X and this was mailed to my address. Please verify the correct address for your board members. This individual has used my address for the past 13 years as her own, this is illegal and she knows it. Since her profession is a real estate agent she can't claim to be dyslectic. I have disposed of the mail, please do not mail any further information to my address for Juanita XXXXX.</p> <p>Thank you Carol XXXX XXXXX Perry St Denver CO XXXXX *****</p> <p>Wondering what's for Dinner Tonight? <p>Olde Town Station Design </p> <p>Dear Sir,</p> <p>I am interested in being part of the station design process for Olde Town Arvada. Please contact me when you know the dates of the meetings as I have to be out of town a couple of times this summer for major family celebrations.</p> <p>Thank You,</p> <p>Mary XXXXX XXXXXIris Way Arvada, CO XXXXX</p>	<p>email</p>	<p>May 12 2008</p>
<p>Hi Connie. My name is Randy XXXXX. I'm a residential appraiser here in Denver, and I'm working on an appraisal for a refinance up in the Arvada area and I think it is close to where the Gold Line is proposed to come through. I want to find out or look at a map online that will show me in scale where that it's going to be coming through in relationship to where my property is. Now what I see online is at such a scale that I can't tell the location in relationship to the property for where the Gold Line is coming through. Could you give me a call at XXX.XXX.XXXX or send me a email at XXXX.net, that is XXXXX, and include in there maybe a detailed map of where the Gold Line is going through in Arvada or a link to where I can go and view that online. Thank you.</p>	<p>phone</p>	<p>May 29 2008</p>
