

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 1/14/2009
Meeting: SUNI Quarterly Meeting
Presenter: Andy Mountain
Number of Attendees: 29
Purpose: Provide an update on the Gold Line project

Meeting Summary/Key Issues

Andy Mountain attended the Sunnyside United Neighbors Inc. (SUNI) Quarterly Meeting to provide a brief overview and update on the RTD FasTracks Gold Line and Commuter Rail Maintenance Facility (CRMF) projects and to answer related questions. The majority of the questions addressed by Andy related to the timing of the Gold Line Final Environmental Impact Statement (FEIS) and CRMF Supplemental Environmental Assessment (SEA), as well as the 41st Avenue Station plans and the potential for Public Private Partnership (PPP) funding for the Gold Line.
