

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 4/8/2009
Meeting: Jefferson County Transportation Advisory And
Advocacy Group (JEFFTAAG)
Presenters: Andy Mountain
Number of Attendees: 23
Purpose: Provide general project update

Meeting Summary/Key Issues

At the monthly Jefferson County Transportation Advisory and Advocacy Group (JEFFTAAG) meeting, Andy Mountain provided a general project update to the meeting attendees. During his update, Andy discussed and answered questions regarding the upcoming release of the Commuter Rail Maintenance Facility Supplemental Environmental Assessment, as well as the corresponding public hearing. Andy also discussed the schedule for the Gold Line Final Environmental Impact Statement (FEIS) schedule and upcoming opportunities for public and local government involvement.
