

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 4/8/2009
Meeting: Sunnyside United Neighbors Inc. (SUNI) Annual Meeting
Presenters: Megan Lane
Number of Attendees: 45
Purpose: Provide overview and update on Gold Line and CRMF

Meeting Summary/Key Issues

Megan Lane attended the SUNI Annual Meeting to provide an update and general information on the RTD FasTracks Commuter Rail Maintenance Facility (CRMF) and Gold Line. During the meeting Megan discussed and answered questions regarding the CRMF Supplemental Environmental Assessment (SEA) schedule and process. She highlighted the recent release of the CRMF SEA and the public meeting and comment period. Other popular topics of discussion included the 41st Avenue station, the Pecos station, and the route and technology for the Gold Line.
