

## **Gold Line Environmental Impact Statement (EIS) Contact Report**

**Date of contact:** 6/25/09  
**Meeting:** Gold Line Advisory Committee (GLAC) Meeting  
**Presenters:** Don Ulrich  
**Number of Attendees:** 6  
**Purpose:** Provide overview and update on Gold Line and CRMF

### **Meeting Summary/Key Issues**

Don Ulrich updated the GLAC with general information on the Gold Line Final Environmental Impact Statement. Specific discussion included the anticipated timing of the release of the Gold Line Final Environmental Impact Statement (FEIS) and the related opportunities for public involvement. Questions from the group centered mainly on the timing of Quiet Zones and the FasTracks funding situation, including the Eagle P3.
