

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 10/25/2007
Meeting: Quigg Newton Resident Council Presentation
Presenters: Liz Telford, Andy Mountain
Number of Attendees: 18
Purpose: Provide a project overview and solicit input from the residents of Quigg Newton

Meeting Summary/Key Issues

The purpose of this presentation was to provide residents of Quigg Newton with a general project overview with a specific emphasis on the 38th station. Liz Telford and Andy Mountain presented details on the Gold Line Preferred Alternative and discussed the current plans for the 38th Avenue Station.

Throughout the presentation, Liz and Andy answered questions asked by meeting attendees. Most questions dealt with the 38th Avenue Station, bus operations and timing of construction.
