

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 11/7/07
Meeting: Affordable Residential Communities
Presenters: Liz Telford, Megan Lane
Number of Attendees: 11
Purpose: Present a project overview with a focus on the Federal station

Meeting Summary

Liz Telford and Megan Lane's presentation provided a project overview with an emphasis on the Federal station. Liz discussed both of the potential options for the Federal station, touching on the potential benefits and drawbacks of each. She also provided basic information on the Gold Line Preferred Alternative, including alignment, technology and stations.

Upcoming opportunities for public involvement were highlighted and the Environmental Impact Statement (EIS) schedule was described. Following the presentation, a Q&A session was conducted with the meeting attendees.
