

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 11/13/07
Meeting: Historic Olde Town Arvada Listening Session
Presenters: Chris Proud, Andy Mountain
Number of Attendees: 13
Purpose: General project update focusing on Olde Town station options

Meeting Summary

Gold Line project team members Chris Proud and Andy Mountain provided a general project update with a focus on the Olde Town station options. In addition to providing basic information on the Gold Line Preferred Alternative (e.g. alignment, technology and stations), the team also discussed the three options for the Olde Town station, touching on the potential benefits and drawbacks of each. The project team discussed some of the preliminary results of the DEIS analysis, specifically the impact areas that could affect Olde Town.

The EIS schedule was discussed, and the project team highlighted upcoming opportunities for public involvement. Following the presentation, Q&A was conducted with the meeting attendees.
