

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 3/13/07
Meeting: Presentation to the US 36 Steering Committee
Presenters: Chris Proud
Number of Attendees: 10
Purpose: Provide project update to US 36 Steering Committee

Meeting Summary

Chris Proud presented an overview of the project with a focus on the project's relation to the Northwest Rail Corridor. His presentation reviewed the alternatives currently under consideration, and the Gold Line's schedule. He discussed the segment of track that is proposed to be shared between the Gold Line and Northwest Rail (from DUS to Pecos). Chris also discussed the potential for transfer stations at 38th and Pecos.

Chris Proud wrapped up the presentation by highlighting upcoming opportunities for public involvement. Following the presentation, a Q&A session was conducted with the meeting attendees.
