

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 3/9/2007
Meeting: Wheat Ridge 2020 Presentation
Presenters: Andy Mountain
Number of Attendees: 15
Purpose: Provide project update to members of Wheat Rige 2020

Meeting Summary/Key Issues

Andy Mountain provided an overview of the project and discussed the Environmental Impact Statement (EIS) process. His presentation included specific discussion of the alternatives currently under consideration and the Detailed Evaluation of Alternatives phase. The EIS schedule was discussed, and Andy highlighted upcoming opportunities available for public involvement.

Following the presentation, a Q&A session was conducted with the meeting attendees. They had a particular interest in the Ward Road station and its potential to spur economic development for the city.
