Purpose: Provide project update to Jefferson Economic Council
Transportation Committee

Meeting Summary/Key Issues

Liz Telford and Don Ulrich provided an overview of the project and discussed the process for an Environmental Impact Statement (EIS). They discussed the analysis that led to the selection of the Preferred Alternative and then went over the specifics of the Preferred Alternative (EMU on the BN/UP railroad alignment), including its proposed technology, stations and alignment. The EIS schedule was discussed, and the team highlighted upcoming opportunities for public involvement. A Q&A session followed the presentation.
