

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 9/13/2007
Meeting: Arvada Lake Arbor Optimist Club Listening Session
Presenters: Megan Lane
Number of Attendees: 16
Purpose: Provide project update to Arvada Lake Arbor Optimist Club

Meeting Summary/Key Issues

The purpose of this listening session was to provide a project update to the Optimist Club. The presentation focused on the analysis that led to the selection of the Preferred Alternative. Megan Lane overviewed the specifics of the Preferred Alternative (EMU on the BN/UP railroad alignment), including technology, stations and alignment.

The EIS schedule was discussed, and Megan highlighted upcoming opportunities for public involvement. Following the presentation, a Q&A session was conducted with the meeting attendees.
