

Gold Line Environmental Impact Statement (EIS) Contact Report

Date of contact: 9/27/07
Meeting: Wheat Ridge Town Hall Meeting and Open House
Presenters: Megan Lane, Miles Graham
Number of Attendees: N/A
Purpose: Provide Gold Line Information to Wheat Ridge residents

Meeting Summary

Megan Lane and Miles Graham staffed a Gold Line information booth during the Wheat Ridge Town Hall Meeting to provide attendees with basic project information and engage them in the Gold Line EIS process. Conversations focused mainly on the Gold Line Preferred Alternative and the Ward Road station. The EIS schedule was discussed, and upcoming opportunities for public involvement were highlighted. Megan and Miles answered several questions from the public, including inquiries on transit technology, potential impacts, the FasTracks system as a whole and other various questions.
