<p>I wanted to RSVP for the 38th Ave Station Meeting. \ \ I was also wondering if you could help me out. The company I work for is a development consulting company and we're trying to find a way to help the businesses and property owners that are in jeopardy of condemnation and eminent domain issues. I have been reading about your Relocation Assistance Services and I would love to talk to someone about what we do and how we can alleviate pressure from RTD and the land / business owners. \ \ If you can point me in the right direction or offer any advise it would be greatly appreciated. \ \ Thank You, \ \ \ Mike XXXXX \ XXXXXX / Project Manager \ XXXX XXX XXXX \ XXX.XXX.XXX Phone \ XXX.XXX.XXXX Cell \ XXX.XXX.XXXX Fax \ XXXXXX.com</p>	email	Nov 04 2008
<p>Megan, \ After going thru this mail and supplemental information I still see no information about a silent crossing at Lowell and 58th avenue. I have been working on this for several years and all it needs is to have the arms extended to cover both lanes from the existing hardware. This could be addressed by you and it would help gain additional support for the entire project form the residence of XXXXX community. Please try and find the time to address this sooner than later. \ Pat XXXX \ XXXX w XXnd ave. \ Denver, XXXXX</p>	email	Nov 05 2008
