I am not sure what this means? I the gold line going to pass thru the 58th and Lowell intersection and then proceed to old town Arvada? I also would like to know when the 58th and Lowell crossing will be made a silent crossing. \ Thanks, \ Pat XXXXX	email	Oct 02 2008
Thank you! Can you explain what will happen to the homes that run parallel along the north side of the tracks between Garrison and Carr? Have they'll receive communication about their homes and yards? \ \ Thank you	email	Oct 10 2008
