<p>May I bring a blank CD an get the preliminary engineering for the Gold Line?</p> <p>Steve XXXXXXX Vice President XXXXXX XXX XXth Street XXXX</p>	email	September 24, 2009
<p>We are across the street from the new proposed maintance station and would like to know if this will be a stop to to get on and off the train. This is important to have for employees</p>	other	September 25, 2009
<p>Marking and commemoration of Utah Junction is important. May I suggest a flat groundlevel granite marker at the relevant spot and an interpretive board with pictures and text at the south boarder of the Maintenance Facility as a minimum.</p>	other	September 26, 2009
