Please take a moment to let us know your comments regarding the FasTracks I-225 Corridor Project. Submit your completed form in one of the comment boxes placed throughout the room or mail back.

The Project Team needs comments from you in the following areas:

- Preferred Alternative Alignment
- Station Platform Locations
- Other Issues or Concerns

Please make your comments as location specific as possible. There is additional space to write on the back as well.

1. What comments or concerns do you have regarding the project team’s recommended preferred alignment alternatives and station platform locations presented this evening?

2. How would the alignment alternatives or station locations benefit you or what suggestions do you have to improve them?

3. Given the initial evaluation presented tonight, what community and environmental issues should the project team be aware of as it evaluates the preferred alignment and station locations?

4. What other issues and concerns should the project team consider?

If you prefer, you may fold and return this form by mail. Other ways to comment include: FAX: (303) 693-7738; E-MAIL: i-225@rtd-fastracks.com; WEBSITE: www.RTD-FasTracks.com/i225 please click on “Get Connected”.
