

Social and Considerations Environmental Justice

- Improved transit accessibility to jobs and community facilities near stations and the region
- Over 56,000 jobs and 17,000 households expected within 0.5 miles of stations by 2035
- New jobs would be created to construct, operate and maintain I-225 light rail transit
- No disproportionately high and adverse effects to minority and low-income populations
- Temporary changes in local traffic patterns, including detours or delays during construction
- RTD will provide reasonable permanent access to businesses, residences, and community facilities
