

RTD Board of Directors decide to hold off on a tax vote in 2011

The RTD Board of Directors has decided not to pursue a Fastracks sales tax increase in 2011. At a Special Board Meeting on April 26, the RTD Board decided not to put the matter before the public this year. The Board realizes that while economic conditions are slowly but steadily improving in the Denver Metro area, the timing is not right for a 2011 ballot initiative. RTD plans to take steps in the coming months to determine if 2012 is, in fact, the right time to let voters decide on whether to make an additional investment to complete Fastracks within the next decade.
