

APPENDIX A LIST OF PREPARERS

PUBLIC AGENCIES

Federal Transit Administration, Region 8

The following FTA staff provided project oversight:

David Beckhouse
Allison Agliardo

Regional Transportation District

David Hollis, Project Manager
Dennis Cole
Carol Duecker
Georgann Fisher
David Genova
Susan Johnson
David Krutzinger
Lloyd Mack
Chris Quinn
Liz Rao
Brenda Tierney
Bill Van Meter
John Shonsey
Stan Szabelak

CONSULTANTS

Parsons Transportation Group – Primary consultant for the project
Key personnel include:

Wm. Kyle Keahey, A.I.C.P.
EIS Task Manager, Project Manager
MRCP City and Regional Planning, University of Oklahoma
B.A. Environmental Sciences, University of Denver

Eric C. H. MacDonald
Technical and Environmental Documentation
B.S. Marine Science, University of Victoria

L. A. Boccia
EIS Document Task Leader, Coordinator and Principal Author
M.A. Government (Urban and Regional Planning), George Washington University
B.A. Psychology, University of Detroit

Roger Koester
Engineering Task Manager
B.S. Civil Engineering, University of Illinois

Phil Hoffmann, A.I.C.P.
Planning and Urban Design Task Manager, Transportation Analysis, Station Area Planning and Design,
TOD Analysis
M.S. Urban & Regional Planning, University of Colorado
B.S. Business Management, University of Colorado

Harry West
Strategic Planning, Environmental Justice, Public Involvement Task Manager
M.P.A. Public Administration, University of Georgia
B.B.A. Business Administration, University of Georgia

Keith Anderson
Track Alignment, Grade, Cross Section, and Station Footprint Design
B.S., Civil Engineering, Pennsylvania State University

Amber Brenzikofer
Wetlands and Wildlife Habitat Analysis
M.S. Natural Resource Management, University of Denver
B.L.A. Landscape Architecture, Kansas State University

William C. Boothe, AICP
Station Design, Station Area Planning
M.S. Regional Planning, University of North Carolina
B.A. Architecture, University of Arkansas

Matthew J. Brown, P.E.
Transportation Analysis, Traffic Studies
B.S. Civil Engineering, Michigan State University

Ron Deverman
Senior Environmental Advisor
M.A. Literature/ Creative Writing, University of Illinois
B.S. Civil/Environmental Engineering, University of Illinois

Cynthia Frazier
Phase I Environmental Assessment Update
B.A. Geology, State University of New York

Areg Gharabegian
Noise and Vibration Analysis
M.S. Mechanical Engineering, George Washington University
B.S. Mechanical Engineering, Pahlavi University

Terry L. Griffis
Financial Analysis
J.D. Law, Woodrow Wilson College of Law
B.S. Economics, Georgia Southern University

Tom Hoaglund
Transportation Analysis
B.A. Geography, University of Colorado

Philip Jo, P.E.
Noise and Vibration Analysis
M.S. Environmental Engineering, Stanford University
B.S. Civil Engineering, University of Illinois

Don Kellett
Ecological Analysis
B.S. Wildlife Biology, Colorado State University

James Koisumi
Air Quality Analysis
B.S. Chemical Engineering, University of California

David Kurth, P.E.
Travel Demand Forecast Analysis
M.S. Civil Engineering, Northwestern University
B.S. Civil Engineering, University of Denver

Kandy Lawrence
Electromagnetic Field Analysis
B.S. Telecommunications, Morgan State University

Jeffrey R. Lormand, R.L.A.
Visual Assessment, Station Design, Station Area Planning
M.L.A. Landscape Architecture, University of Arizona
B.S. Landscape Horticulture, Colorado State University

Linda B. Murray, P.E.
Hazardous Materials Assessment
M.S. Environmental Engineering, Colorado School of Mines
B.S. Industrial Engineering, Alfred University

Smith Myung
Travel Demand Forecast Analysis
M.A. Urban and Regional Planning, University of Colorado
B.A. Political Science and History, University of Michigan

Krishna Nand, Ph.D.
Senior Air Quality Advisor
Ph.D., Physics, University of Pune
M.S. Physics, University of Lucknow
B.S. Physics, Chemistry and Mathematics, University of Lucknow

Bobbie Peters
GIS Analysis
M.S. Environmental Studies, The Evergreen State College
B.A. Psychology, University of Colorado

Rick Phillips, R.A.
Station and Facility Design, Station Enhancement Group Facilitator
Postgraduate studies in architecture, urban and transportation planning and design, landscape architecture, and urban geography, University of Toronto
B.A. Architecture, University of Arizona

Kim Proia
Drainage
B.S. in Civil Engineering, Purdue University

Diane Rhodes
Cultural Resources Analysis, 106 Compliance Coordination with SHPO
M.A. Anthropology (Archaeology), University of Colorado
B.S. Physical Science and Math, Kansas State College
B.S. Elementary Education, Adams State College

Patricia J. Vokoun, P.E.
Energy Analysis and Documentation
Postgraduate studies in environmental science and public policy, George Mason University
B.S. Civil Engineering, University of Nebraska

Grace Yang
Air Quality Impact Analysis
M.S. Chemical Engineering, University of California
B.S. Chemical Engineering, University of California

Gannett Fleming, Inc.

Terry Ruitter
Deputy EIS Manager
J.D. Law, University of Denver
B.S. Fisheries Biology, Colorado State University

Cherie Armstrong
Final Document Organization
B.S. Food Science, North Carolina State University

Sean Garrigan
Bicycle and Pedestrian Analysis
M.L.A., University of Pennsylvania
B.S. Environmental Design, Delaware Valley College

Kate Holcomb
Hazardous Materials Assessment
B.A. Political Science, Minor: Earth Science, Central Washington University

Christopher Scott
Hazardous Materials Assessment
M.S. Computer Information Technology, Regis University
B.A. English, University of Northern Colorado

Laura Steiner
Final Document Organization
B.S. Civil and Environmental Engineering, University of Wisconsin

Ann Lukens Weise
Parks, Water Quality, 4(f) and 6(f) Analyses
M.P.H. Environmental Health Management, University of Michigan
B.S. Chemistry and Cellular and Molecular Biology, University of Michigan

MGA Communications, Inc.

Michael W. Gaughan
Public Involvement
Creighton University

Jeffrey P. Julin
Public Involvement
B.A. Communications, University of Colorado at Boulder

Andy Mountain
Public Involvement
B.A. Journalism and Public Relations, University of Maryland

Boyle Engineering

Walter Pennington
Drainage
M.S. Civil Engineering, Texas A&M University
B.S. Civil Engineering, Texas A&M University
