

## FEDERAL/DECATUR STATION QUICK FACTS

### **Station Description**

The Federal/Decatur Station will occupy the triangle bounded by West Howard Street, Federal Boulevard and the proposed LRT alignment. The station will have one center and one side platform. A pocket track east of Decatur will allow operational flexibility, especially during special events in the central business district.

Station amenities will include a bus transfer facility on the north side with direct access to the station, kiss-n-Ride drop-off, and shared parking with Invesco Field at Mile High.

### **Station Access**

- 24 percent of individuals will access this station by automobile in 2025.
- 70 percent of individuals will access this station by bus in 2025.
- 6 percent of individuals will access this station on foot in 2025.

### **Parking**

RTD will have up to 1,900 parking spaces at this station.
